■ Classy Classic Full Set 90mins \$115

A light, pretty set of eyelash extensions that looks completely natural and enhances your eyes.

Classic extension is a single extension applied to one isolated natural on a 1:1 ratio. Perfect for adding length and some fullness to your natural lash line.

■ Envy Hybrid Lashes Full Set 1D+3D 90mins \$150

Hybrid lash treatment is a combination of two techniques: Volume and Individual lash extensions. Taking the best bits from both treatments, Hybrid mixed set gives longer, fuller but well-defined eyelashes. Perfect, fluffy but still natural.

■ Dreamy Volume Full Set 3D-4D 120mins \$220

Full, long and luscious lashes that are customised to suit you. With this method, anywhere between 3-6 super fine extensions are fanned out and applied to a single natural lash. We emphasise on volume and definition but these never look 'too dramatic' or over the top either.

■ Glamour 7D Volume Full Set 150mins \$300

Expect long, very full and extremely glamorous lashes. This is a technique where 7+ super fine lash extensions are applied to one single natural eyelash. We require healthy, strong natural lashes as the extensions used in this set are heavier. Are you ready to rock the edgy, dramatic look?
